**KEY SPEAKER – TIM KELLER**

In 1989 Dr. Timothy J. Keller, his wife and three young sons moved to New York City to begin Redeemer Presbyterian Church. In 20 years it has grown to meeting for five services at three sites with a weekly attendance of over 5,000.

Redeemer is notable not only for winning skeptical New Yorkers to faith, but also for partnering with other churches to do both mercy ministry and church planting. Redeemer City to City is working to help establish hundreds of new gospel-centered congregations throughout the city and other global cities in the next decades.
